Update: October 2026

GRUPPO CASSA CENTRALE
CREDITO COOPERATIVO ITALIANO

THE CASSA CENTRALE GROUP

Presentation

The Cassa Centrale Banca - Credito Cooperativo Italiano Cooperative Banking Group includes 65 BCCs - Rural Banks - Raiffeisenkassen and 1,515 branches across Italy, more than 12,800 employees and over 500 thousand Cooperative Partners.

The Group's identity is based on the principles of cooperation and mutuality, enhancing the autonomy of the affiliated Banks and their roots in the local areas. The 2026-2028 Strategic Plan and the Sustainability Plan translate these principles into objectives and initiatives to support members, customers and local communities, combining growth, innovation and social and environmental responsibility.

With balance sheet assets of EUR 96,8 billion, it is one of the top ten Italian banking Groups.

Total gross loans amount to EUR 54 billion, net loans amount to EUR 52.3 billion and direct funding totals EUR 79.7 billion.

With a CET1 ratio of 28.72% it is one of Italy's most solid Groups.

Income statement, balance sheet and size-related data as at 30/06/2026[1]

Our mission

The Cassa Centrale Group, as indicated in Art. 2 of the Articles of Association of the Affiliated Banks and as also outlined in the Parent Company's Articles of Association, favours the "Cooperative Shareholders of the members of local communities in the Bank's operations and services, pursuing the improvement of their moral, cultural and economic conditions and promoting the development of cooperation and education in savings and pension planning as well as social cohesion and the responsible and sustainable growth of the local area in which it operates. The Group's goal is combining the value and independence of a local banking system, representing the different Territories, with the profitability, efficiency, growth and stability typical of a large Banking Group.

The distinctive elements and points of strength of the Cassa Centrale Group are:

- strong territorial roots based on solid relations with local communities and investments targeted at improving the economic, social and cultural environment on the territory;
- active participation of the Banks to the definition of the Group's strategies and objectives and a good level of operating autonomy, modulated on the virtuosity of the individual institutes;
