

The Articles of Association of the Group Banks and Agenda 2030

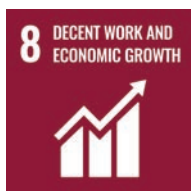

Art. 2 of the Articles of Association lays out the objectives and entrepreneurial goals of the Group Banks, in the following values linked to Agenda 2030.

Promotion of the improvement in moral, cultural and economic conditions

Promotion of pension education

Promotion of the development of cooperation and saving education

Promotion of social cohesion

Promotion of responsible and sustainable growth

The Articles of Association furthermore affirm how each Bank, by choice, stands out “based on its own social orientation and decision to construct the common good”. This affirmation is compliant with all Goals laid out in Agenda 2030.
