

Cassa Centrale Banca: Paolo Martignoni Named Head of Compliance Function

Trento, 1 September 2025 - With effect from today, **Paolo Martignoni** has taken over **management of the Compliance Function**. The appointment recognises his in-depth knowledge of the organisational model and the dynamics of cooperative credit, gained over a twenty-year career in the banking sector within the Cassa Centrale Group.

After receiving his degree in Economics and Business with a specialisation in Economics of Organisation and Innovation from the Università Cattolica del Sacro Cuore in Piacenza, Paolo Martignoni began his career at Banca di Credito Cooperativo di Brescia after an experience in the field of consultancy, holding roles of increasing responsibility in the Credit and Organisation areas until assuming responsibility for the Compliance Function.

Since July 2018, he has consolidated his professional growth within the Parent Company's Compliance Department, where he has gradually taken on responsibility for the Methodology, Planning and Reporting Service, subsequently holding the position of Deputy Compliance Director.

The appointment of Paolo Martignoni as Chief Compliance Officer will become fully effective at the end of the fit and proper assessment currently underway with the Supervisory Authority, required for this type of Function. The appointment is part of the process of consolidation of the Parent Company's management, extended to the Control Functions, as this is a figure able to guarantee continuity and effectiveness in implementing legislative and regulatory strategies.
